**Dr Benjamin Hub**

Lawyer, Partner  
*Luther Rechtsanwaltsgesellschaft mbH*

**Sarah Pople**

Lawyer  
*Fidal*

Every managing director is responsible for the success of the business operations. This also includes the consistent monitoring of the company's liquidity to be able to take countermeasures in time with restructuring measures. Especially in a strongly fluctuating overall economic situation, even healthy companies can quickly run into difficulties that require immediate action by the management. The recent sharp rise in energy costs or the debate about supply shortages in some industries are just two examples that confirm the relevance of the topic.
